From the Chaplain

I want to personally thank those who prayed for us during our Spiritual Emphasis Week. I believe the Lord was at work in the hearts of many students and drawing them closer to Himself. Please continue to pray that during our chapel times and youth group events that our students draw closer to Jesus. We also had a great Prayer Walk on Friday the 16th September and I was so excited to see around 10 students join the staff and teachers for this prayer walk. Let us continually keep Heritage in our prayers. We will continue to do Prayer Walks around our campus throughout the year. We will keep you "in the know" as to the dates for those Prayer Walks.

Finally, I also want to thank the parents who allowed their students to come to the special youth group event at my home on the 16th September. We had 32 students and 9 adults in attendance and we all had a great time. I am enjoying spending time with the youth group.

Every Friday after school we have decided to have either a youth group meeting or a Bible Study with the Secondary students. We will do our best to communicate clearly with your students what will be happening each Friday and what time each event will be ending. This coming Friday, 30th September, will be a Bible Study ending at 4:15pm and on the 7th October we will be having youth group with details coming VERY SOON for this event.

I am always available if you have questions or need someone to talk to. Please stop by and visit me in the office or send me an email any time (hjoshua@heritage.co.ug). Praying our Savior's blessings over you and your family.

Until the whole world hears,

Joshua Hallahan
Chaplain

Expedition!!!

A huge thank you to all the staff and students that participated in the Expedition to Kaazi over the weekend. It was truly an enjoyable experience. A total of ten students and staff left the familiar comforts of their home environment and ventured out on a cool and drizzly Saturday morning to start an interesting journey. After lunch, putting up tents and a quick rest, we walked across to Busaabala Primary School and played a football game with the boys and girls who really showed us a thing or two on the field.

Back at the campsite, we prepared supper over the fire and made s'mors to end our day. It did not take a lot of effort to fall asleep after the action packed day and in the morning we headed back to our starting point and our ride to take us back home.

Be sure to attend this Friday's chapel when two of our students will be awarded with their Bronze award.

After School Pick Up

Many students are being left late after school to fend for themselves after teachers have had to leave the campus. This is a reminder to please be sure to pick up your child no later than 3:30PM. This ensures their safety and is very appreciated by the Heritage Staff.

LIBRARY ANNOUNCEMENT AND REMINDER

The Scholastic Book orders have been sent out and we are starting to receive some orders! This is an exciting time for the children as we talk about the book orders when they come to the Library each week. They are also excited about the prospect of getting some new books in the Library and some books have already been ordered from the Library Wish List.

The Librarian would like all the parents to know about a contest between classes. The class whose families order the most books for the Library from the Wish List will receive an ICE CREAM party!

Remember your order needs to be in **BEFORE 14th October!** You don't want to miss this opportunity to encourage your children to read!

Creation Care Week

Next week, 3-7 October is Creation Care Week. The week will focus on taking care of our planet. Please help reinforce healthy habits at home by teaching your child to use the garbage can, recycle plastic and glass bottles, and to take pride in this beautiful city we live in. Thank you for being partners with us in mentoring children to be good stewards of this planet we call home.

Our focus through the week will be simply, Taking Care of our Dirt. Ask your child what he/she learned and be part of making a change to better our communities.
