- Volunteering in the classroom for the event, contacting other parents to volunteer their time

Each class will be judged on the following:

Please contact the school office if you can offer any assistance for the event - Any and all assistance is appreciated. If you have any questions, please feel free to contact the school and the events committee.

## Class trip to Orange...

Brief feedback from two students

After a short trip with a few traffic stops, we reached the Orange headquarters. We noticed that Orange was surrounded with their competitors such as MTN and Warid Telecom. We were later introduced to Harriet who is the Head of Co-operate Social Responsibility (CSR) and Jim, the head of IT who showed us the two different kinds of Internet that Orange offers to its customers. One was a dial up line while the other was a wireless router. He explained the differences, the advantages and the disadvantages of both equipment (**Olga Kanyansi**)

Orange is an interesting place and it would have been nice to see more of the place as it looked quite nice. Even though we didn't get to go around the building and really only stayed in one room, we did learn a bit about the company and the services provided (**Jordan Mayo**)

## A Christmas Carol

The HIS Fine Arts Department Christmas Production is less than one month away! Please ensure your child, if in the program, attends rehearsals.

There are other ways we need parents to be involved ~ volunteer to help out with costumes, makeup, ushers for day of performance as well as those to help out in our 'store'. There are many ways to be involved and we need you.

Sign up sheet to volunteer is at reception desk. Please complete your contact information and how you are willing to help.

If you have any questions, please feel free to contact Miss Laura Fieg or the school office.

The big top tent is arriving on Saturday, 12th November - if anyone is interested in lending a hand, please contact the school office and ask for Terri.
