Two Heritage Piano Students Perform in a Kampala Children's Concert

Last Sunday afternoon, 20th Nov, Mbabazi Guma and Sanyu Kayser participated in a Children's Concert. The

ambassador of France, H.E.Aline Kuster-Menager, hosted the lovely event at her residence in Nakesero. There were many young musicians representing many schools in the Kampala area. Mr. Paul Motuvu, Heritage's piano teacher, chose Mbabazi and Sanyu because of their hard work and talent on the piano.

Both 6th graders enjoyed the entire experience; getting to meet the French ambassador, having a chance to show their talent outside of their weekly lessons, and listening to other children perform various instruments and songs. Sanyu said that she "loved playing on the baby grand piano" and Mbabazi "enjoyed performing in front of the large audience". Heritage students and parents can look forward to hearing these pianists perform again, along with all of the other music students at HIS, on Tuesday, 13th December at 7PM at the Fall Semester HIS Recital.
